

Monkfrith Newsletter Summer Term Issue 38

Dear Parents,

We carried out our Parent Survey at the end of June. We had **94 responses** (or partial responses). The outcomes have been discussed with staff and with Governors. I have included a summary of the questions and answers. There was also an opportunity for parents to elaborate on their responses and these gave some helpful suggestions about the things we are doing well and how we could improve. As we work on our school development priorities for September, we will think about how we can address some of the issues that have been raised. Thank you to those parents who took time to respond.

FOMS Survey

FOMS are now also asking for your help with a short survey. It should not take too long to fill out and would really help the committee plan the programme of events for next year. Please click on the link: <https://bit.ly/2JHLxph>

Parking

A reminder to parents who sit in their cars while the engine is running that not only are you polluting the environment but you are also breaking the law. A concerned parent kindly forwarded me a very interesting link about the issue, which I am including below:

Housegroup Winners

The winning House will be announced in assembly this Friday. The children of the winning House will be able to wear their own clothes to school on Monday 22nd. A text will be sent on Friday to let you know – although I am sure the children will tell you! It is very close at the moment...

Code Club

This will be the last week for Code Club. Parents are more than welcome to come along for part or all of the session on Wednesday morning from 8am to see what the children have been doing this term.

Attendance

Attendance for week commencing 9th July 2019.

Any requests for leave in the last week of term will be referred to the Barnet Educational Welfare Team.
