

Monkfrith Newsletter Summer 2020: 2

There has been some lovely work going on in the classrooms this week! I have picked out a few and I will share more next week.

In **Reception**, they are learning about mini beasts and one of their activities was to create a wormery. We made one at school but this is a photo of Maxim's in Oak! Great work.

Year 3 have started their topic – Tremors – by creating the same type of topic page we would at school. Here is Arthur's from 3P.

Year 5 are learning about Ancient Egypt this half term. Here is one of Nicholas's in 5D drawings of the god Anubis.

Year 6 have begun their topic – Gallery Rebels and have been looking at shadows and light. One of the tasks they were set was to use everyday objects to create shadow buildings. This example comes from Lilia.

Book of the Week #20 books for 2020

This week's book review comes from the first child in Year 4 to complete their 20 books for 2020 – Lily! Congratulations. She sent me her chart and there were some great books on there. Excellent work Lily!

Lily Merritt in Year 4 read... The Midnight Gang by David Walliams

I have loved reading lots of David Walliams books because they are hilarious. I really enjoyed reading The Midnight Gang which is about a group of poorly children in a London hospital. The main character, Tom, gets hit on the head by a cricket ball and ends up getting admitted to hospital. Whilst he is there, he makes lots of kind friends on his ward and every night they go on exciting adventures together. They would sneak into different places in the hospital that were out of bounds and one night they even tried to escape. My favourite part of the story is at the end when Raj (the shopkeeper) goes back into the ward and starts telling the children long-winded stories all about his takeaways and how they forget to put in his poppadums even though he asked for them over

and over again! I would definitely recommend this book to my friends if they want to laugh out loud!

Well done to Jason in Year 4 who sent me an email to let me know he has finished two books. The Witches is such a great story!

Times Tables Rockstars
(for the last 7 days)

Class	% of active players	Average Speed	Accuracy
5D	52	1.79	93.7%
5F	59	2.48	92.1%
3P	61	3.28	93.6%
3B	32	3.28	96%
4P	26	1.67	93.2%
4B	33	3.1	80.7%

Additional Home Learning Ideas

I will have been linking to some ideas from our Twitter account @monkfrithschool.

Resources to support Emotional and Mental Well Being

This is very helpful website at all times, but they have produced some resources for children from Reception to KS2 and parents particularly in relation to Covid.

<https://www.annafreud.org/what-we-do/anna-freud-learning-network/coronavirus/>

PE

Whilst I am thoroughly enjoying (not sure that is quite the right word!) my Joe Wicks every day, I know that this is not for everyone. However it is still very important to keep active and doing something physical every day. This is one website, run by teachers, that is designed to help.

<https://www.afpe.org.uk/physical-education/thisispe-supporting-parents-to-teach-pe-at-home/>
