Summer 2020: 5

This week the class teachers will only be setting 4 days of work this week. There are lots of preparations that need to happen for next half term.

There has been some fabulous home learning over the last week.

In **Reception** there was some great Superhero inspired work, from making capes to cakes and writing secret super hero messages and creating superhero smoothies, Ms Czuprynska and Miss Cooper are very proud!

Following on from their splendid weather reports last week, **Year 1** have been writing and performing their weather poems.

In **Year 2K** the garden tours (in the style of the Chelsea Flower Show) were AMAZING! Miss Kontos and I were both impressed by how grown up the children were and how clearly they spoke. In **2D** Zack has been pressing flowers.

Year 3 doing some great work in their Tremors topic. Miss Pierides has been loving their news reports. The children have also had the chance to make their own seismometers. Here is Lucia's from 3B.

In **Year 4** they have been creating Ocean themed board games inspired by their Blue Abyss topic. There were some great ideas from Lily, Demetrios and Olivia in **4B**.

In **Year 5**, as part of their learning about Ancient Egypt they have been mummifying fruit. The photos were brilliant, particularly Louis in **5D**.

And there was much more I could have included. Keep up your efforts!

Monkfrith reads....

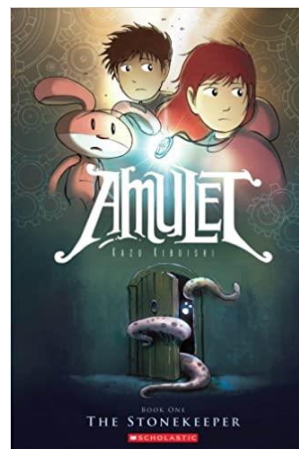

Two great book reviews this week from Idris and Arthur. Thank you boys!

Arthur in Year 3 reads...AMULET The Stonekeeper by Kazu Kibuishi...

Amulet is a graphic novel, which is like a whole story, but written in comic mode.

This is the first book and there are still 7 to go in the series. I can't wait to read the others!

It's about Emily who finds the AMULET and it leads her to a house where she find robot friends and a bunny, which is handy because her mum has disappeared and there are slightly unfriendly monsters to battle with.

If you like stories which are exciting and a little bit scary, then I'm sure you will like Amulet.

Idris in Year 3 reads...The Last Kids on Earth and the Nightmare King by Max Brallier...

This is the 3rd book of 4 and the 5th book is coming later in the year, so get ready by reading all the others. You probably may have seen the first two books on TV. In the Nightmare King the kids have to defeat a big flying monster that can put you into a nightmare that comes true!

I like this book because it's really exciting and it has lots of battles – it has been my favourite book of the whole series!
