

Monkfrith School

Summer Term 2022

Newsletter 30

Reception were continuing their minibeast investigations, using the book, Sam's Sandwich and finding out about snails. They also made collages inspired by Matisse.

Year 1 were doing some lovely descriptive writing about the seasons last week as part of their Splendid Skies topic.

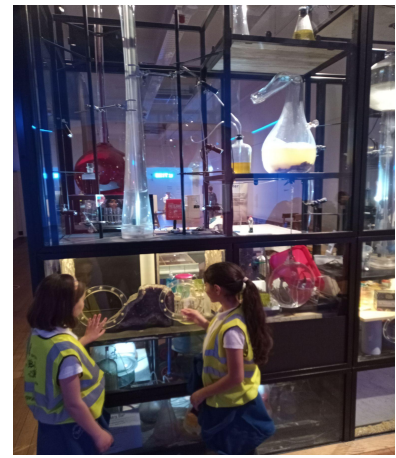

Year 2 have been practising for their SATs test which will happen over the next couple of weeks but they have also been learning about how to mix colours and the colour wheel.

Year 3 have been creating and recording sound in music. When I popped in this week, it was very noisy! The children have also completed some lovely writing, emotive stories and began constructing their volcanoes.

In **Year 4** the children were also exploring types of vibration and how sound is measured. Just a reminder to return the Moat Mount medical forms. There will be a second letter later this week with the kit list!

Year 5 ventured out to the Science Museum on Wednesday. They had a fantastic time exploring the Wonderlab as part of their Alchemy Island topic. Mr Batchelor and Mr Filby were really impressed with the children's enthusiasm and behaviour. A BIG thank you so much to the parents who volunteered to help!

Year 6 finished their SATs tests last week. I was so impressed with how they took it all in their stride, tried their best and supported each other. On Friday they had a lovely day looking at the artwork of Hurvin Anderson. Anderson is a British painter who focuses on identity and representation. They were developing their skills of close observation and sketching. Next week they will be using acrylic paint to add colour.

There have been two **platinum cards** awarded this term so far...

A **HUGE** well done to:

Joseph in 4P who received his award for his narrative writing. Miss Pierides was so proud of his hard work!

Joseph in 2P who received his award for his independence and positive attitude in his writing. Mr Powell was so impressed!

BINGO NIGHT

It was fantastic to see so many parents at Bingo on Friday night!

A BIG THANK YOU to those who helped organise the evening!

The next big event will be the Summer Fair. If you would like to help or get involved please email friendsofmonkfrithschool@gmail.com

Key Dates for this half term

Friday 20th May - FOMS AGM 9am at school

Friday 27th June - Monkfrith's Jubilee Celebrations

Jubilee Celebrations

School Finishes at 2pm

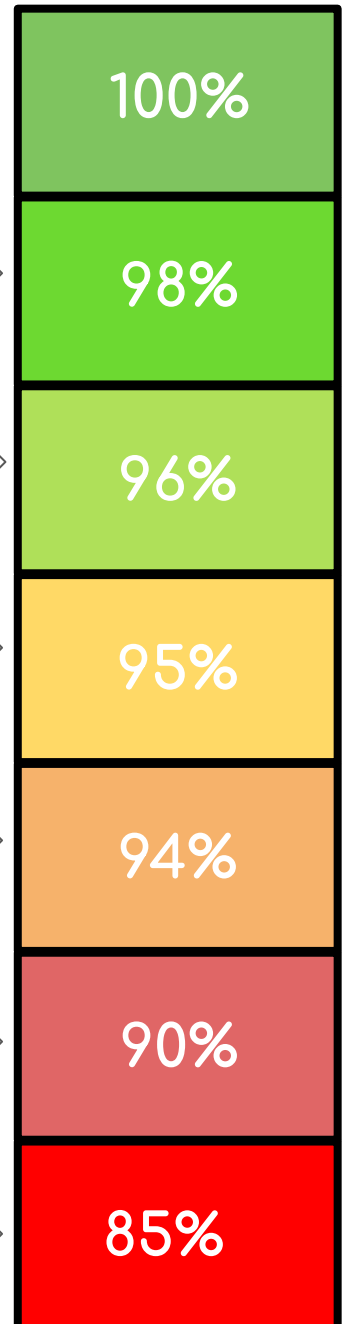

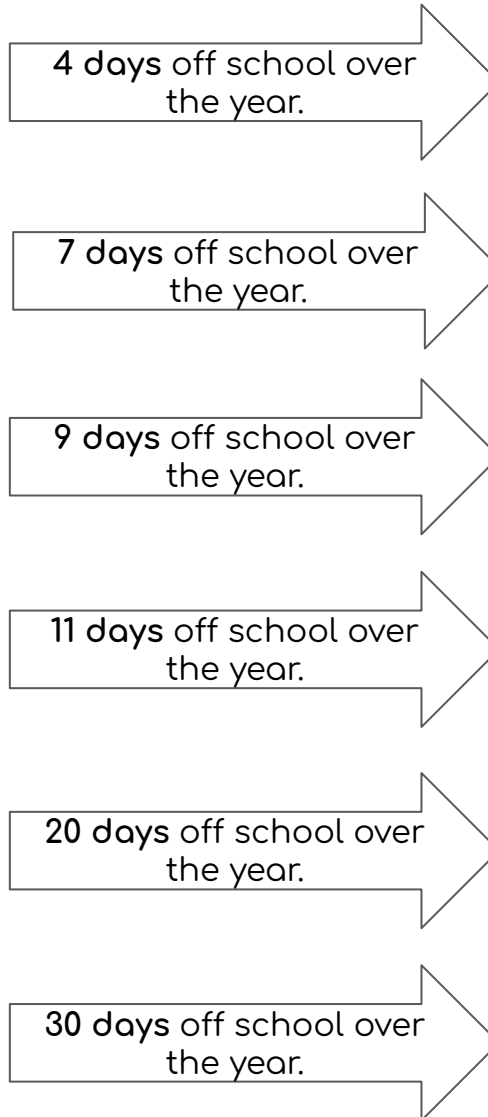

Year 6 Leavers Disco 7pm - 9pm

Attendance

Week commencing:
9th May 2022

Whole School	98%
Reception	97%
Year 1	96%
Year 2	98%
Year 3	98%
Year 4	99%
Year 5	98%
Year 6	98%

Attendance was much better last week - almost back to where it was consistently before the pandemic. Being in school every day makes a huge difference to children's experience of school both inside and outside the classroom.

School attendance is statutory.
