

# Monkfrith School

## Summer Term 2022

### Newsletter 32

Wherever I went in school on the last day of term there were children having fun. It was great to welcome back Hobgoblin Theatre Company to Monkfrith. They performed their version of Robin Hood to the whole school in the morning. A huge THANK YOU to **FOMS** who paid for this experience.

Then there were parties and games happening everywhere to celebrate the Jubilee. In **Year 3** they had spent the week researching, tasting and then making scones. This meant that they were able to spend part of their Friday, testing what they had created!

There were also a little flurry of Platinum Awards in the last week or two of term:

In Year 3:

**Heidi** for the amazing attitude and application to her work, **Adam** for being incredibly hard working and good humoured and **Harleen** for writing a fantastic story about an escape from Pompeii!

In Year 6:

**Alexei** for persevering in maths and to **Hamza** and **Isabella** for the improvements they have made in their writing this term!

In **Year 1** they were also learning about money in the last week. They did this by setting up their own shops!

In **Year 3** the children had been learning about volcanoes. There was great excitement as they erupted the ones they had made.

Just a reminder that **Year 4** are off to Moat Mount on Tuesday or Wednesday and will need a packed lunch on those days along with their overnight things!

This half term is the busiest of the year with so many things to pack in! Please make sure that you check the dates list each week and watch out for messages to remind you of any changes or updates.

**Reception** will be learning about London, writing about their trip as well as following the children's interests and preparing them for Year 1! **Year 1's** topic this half term is the Enchanted Woodland. This links science, geography and art. In **Year 2** they will be learning about the Scented Garden and the parts of a plant. They will also be visiting London Zoo in a few weeks!

**Year 3** will be studying electricity as part of their Mighty Metals topic. **Year 4** have a fantastic topic, The Blue Abyss, where they will be learning about oceans and the environment. **Year 5** will also be learning about the natural world this half term, in their topic, Allotment. This topic link science and geography. In **Year 6**, in between secondary school transition days and show rehearsals, the children have lots of opportunities to be creative in their topic, Gallery Rebels.

This is also the term that we teach our Sex and Relationships lessons as part of the statutory curriculum. Details of the lessons that we teach (which have not changed since last year), can be found using this link:

<https://drive.google.com/drive/folders/1-aTnB6yYKR5pO2x4zeZcEz1B2VepjrPG?usp=sharing>

If you have any questions about this, please contact your child's class teacher.

### Parent Governor Election

If you would like to stand for election for the role of parent governor, you have until Friday 10th June at 3pm to submit your forms. Forms were emailed at the end of last term.

## FOMS Update

To celebrate Sports Week and encourage a fun day, FOMS will be running a sponsored Just Dance in school on Friday 24<sup>th</sup> June, where the whole school will participate in a non-stop danceathon! Children can come to school with their favourite hairstyle and get ready to dance! Sponsorship forms will be in your child's book bags on Monday 13th June

### Summer Term School Dates
