1. Welcome

GR welcomed everyone to the meeting and summarised the structure of FOMS.

2. Annual Report 2021/22

GR summarised the report.

3. Treasurer's Report

GR presented this on behalf of LL.

4. Resignations and Appointments

The resignation of Christine Shields was accepted. GR asked for volunteers to join both the committee and the Trustees.

5. 2022-23 A Look Back

There is currently approximately £35,000 in the current account and £6000 in the reserve account. This does not take into account the spending of this term, which included the KS1 play equipment, the skating workshops and the art workshops.

The only event left this term is the Summer Fair (15th July). The committee reported that things were going well so far but they are still looking for volunteers. Further communication about how to get involved will be shared next week.

6. 2023-4 A Look Forward

Actions:

- Try and recruit a new chair.
- Recruit new members to ensure a more active committee
- Plan events for the year (this will happen in September).
- Decide on the fundraising focus.

The meeting was closed.
