

After School Club

Children from KS1 (Reception, Year 1&2) are taken directly to After School Club at the end of the school day. Children in KS2 join at 3:30pm.

When children arrive, they register and eat a snack. The children then have free play and can choose from many activities on offer. Children can also play in the hall on some days or outside (weather permitting).

We encourage creativity by always having different art and craft based activities on offer (including sewing and cooking).

Staffing

Our Breakfast and After School Club Manager is Des Costas. She has a team of play workers to assist her, all of whom are well known to the children and are suitably qualified.
