

## Welcome back!

Spring 1 2026

It has been lovely to see the children return and make such a positive start to their 2026. In assembly on Monday, we talked about how making an effort is the key to making things different or better. In Reception, the children have started back looking at the patterns created by Kandinsky and reading Little Red Riding Hood.

In Year 3, they have begun learning about Greek myths and legends and the story of Arachne and Athena. In their geography lessons, they have been using maps to locate countries in Europe.

In Year 5, the children have begun reading the children's classic, Tom's Midnight Garden by Philippa Pearce. In their English lessons, they have been analysing poems, and in geography, they are learning about the 8 points of the compass. In Year 6, they have started their new class reading text, Skellig by David Almond. They have also begun their topic, Blood Heart, by learning about the parts of the heart and the circulatory system.

**Part of the  
National Year of Reading 2026**

Happy New Year! The Department for Education together with a range of publishers, authors and charities have declared 2026 to be the National Year of Reading. As the year progresses I am sure they will share more about what that means, but in the meantime I will never miss an opportunity to encourage or promote the value of reading.

The Book Trust worked with the Open University to look at the evidence of how reading benefits children. They found that reading supports children to:

- Overcome inequality and disadvantage
  - Experience better mental wellbeing, self esteem and social emotional skills
  - Meet early development milestones and do better at school
  - Develop empathy, creativity and imagination
- [You can read the full report here.](#)

## Year 5 Class Assembly

We look forward to Year 5S class assembly next Wednesday. We will start at just after 9am. We look forward to seeing you there!

In Year 1, the children have been looking at practical ways to make number bonds to 20, as well as starting their new topic, Bright Lights Big City. They have been using Google Maps to explore our local area. In Year 2, the children have begun their topic—Big Dreamers and Changemakers—by looking at the artist Frida Kahlo. They have also been using maps to build on their knowledge from Year 1 about continents and oceans. They have also had their music lesson with Mr. Filby.

In Year 4, the children have started their topic, Burps, Bottoms and Bile. They have been learning about the purpose of teeth and why we lose our milk teeth. Their class reader at the moment is The Proudest Blue by Ibtihaj Muhammad.

## Our Planet Protectors

On Wednesday we had an assembly from Jessie, who works for the North London Waste Project, about recycling and contamination. She also met with our dedicated Planet Protectors to help us with our continued efforts to maximize our waste reduction.

## Wishlists

With the increasing budgetary restrictions, we are not always able to refresh our class libraries in the way that we might hope. If you would like to help us, one of the ways that this can be done is by purchasing a class something on their wish list.
