

# MONKFRITH SCHOOL

Spring 4 2026

## Reporting Absence

To help us support a smooth start to the school day, we kindly ask that any pupil absence is reported before 8.45am, preferably via email or Arbor. These options are often quicker and more convenient for families.

Please note that the school office is particularly busy between 8.30am and 9.00am, so phone calls during this time may not always be answered immediately. Using email or Arbor helps ensure your message is received promptly. Thank you for your continued support.

## Come As Yourself Day

On **Friday 13<sup>th</sup> February** the children can wear an outfit to school which makes them feel most comfortable or confident. It might be something cosy, their favourite colours or an outfit that means something to them. We are celebrating what makes each child unique! The only thing we ask is that the footwear is suitable for being outside.

On Wednesday Year 1 shared their learning so far this year with their parents. In their classroom, they have been doing some lovely work in Design and Technology about designing and making vehicles. On Tuesday afternoon Year 6 were visited by two local magistrates. They were learning about how the law works as part of our PSHE curriculum. The magistrates were really impressed with the questions that the children asked throughout the session.

Part of the  
**National Year of Reading 2026**

Reading is a fantastic way to help your child build their empathy skills.

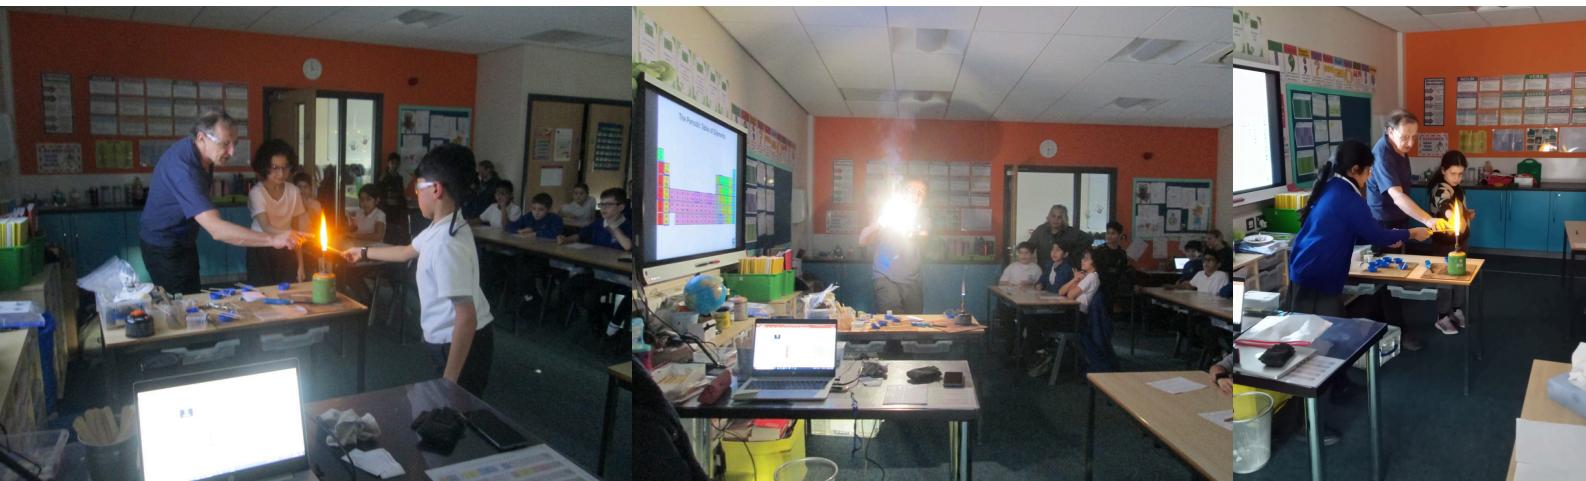

Did any character make a mistake? How do you think they felt about it?

Did you spot a moment when someone was kind or unkind?

What do you think the character hopes will happen next?

Last Friday afternoon, Year 5 had their Fireworks workshop. They explored what happens when elements are heated and got to take part in some experiments for themselves as you can see in the photos!

In Year 3 the children have been thinking about the significance of angels in different religions.. In their history lessons they have been learning more about Greek Gods and Goddesses. Year 4 have been enjoying the books that have been gifted from the wish list - **thank you everyone!**

Congratulations to our Girls Football team who won their match on Thursday after school. They played against St Johns in the quarter finals of the Barnet Cup and beat them 6 - 2 which puts them through to the semi finals in a few weeks.

### Parent Consultations

If you have not yet booked your parent consultation slot, then please go to the Arbor app to do so. If you need any help, please contact the Office.

After looking at homes in our local area, Reception has turned their attention to homes around the world. The construction and role play areas have been busy as you can see!

On Thursday 2CW went to the Transport Museum. The children were enthusiastic about their learning and beautifully behaved.

2M have been today, so there will be photos of their visit, next week!

### Go Fizz Free in February

Take part in Fizz Free February and recruit families and staff to Go Fizz Free for the entire month. Cutting out fizzy drinks is a really easy way to drastically reduce your sugar intake and an easy step to improve your health. By committing to going fizz-free for the entire month of February, you can develop new habits that can take you through the rest of the year, and beyond. If you are not able to engage in this activity in February, just choose another month to Go Fizz Free.

Please visit the Sugar Smart Barnet website for resources to help you take part in Go Fizz Free!

⚠ Volunteers needed:

If you're able to help on the day, the volunteer sign-up list is now live on Classlist. Any support would be hugely appreciated.

Parent staying option

The disco is designed to be a fun, independent event for the children.

If you feel your child may need additional support, one parent/carer per child may stay, provided an accompanying adult ticket has been selected (limited availability).

Parents who stay must remain in the designated area. No siblings or babies can attend.
